

**YORKSHIRE**  
FACILITIES MAINTENANCE GROUP

## **Health & Safety Policy Statement (PPE)**

YorkshireFMG acknowledges and agrees to comply with the 'Personal Protective Equipment' (PPE) at Work Regulations 1992 requiring employers to assess the risks and the PPE they intend to use to ensure that issued PPE is suitable and fit for purpose.

Employers are also required to ensure that all PPE is cleaned, maintained, and replaced when necessary. Employers are required to provide safe storage for PPE when it is not in use, ensure that PPE is correctly used and adequate training and information is supplied on how to use and how to look after it.

All PPE issued is recorded and signed for as issued, any losses, defects, or replacements are notified to the management. Spare PPE is issued to all employees to cover against loss or damage and to prevent any occurrence of employees being without adequate protection when engaged in working activities.
